SECTION 3: SPECIFICATIONS AND REQUIREMENTS

1. Objective

The purpose of this RFQ is to procure administrative and logistics services and to provide office space for one to three (1-3) long-term employees and intermittent short-term technical consultants, that will travel periodically to Kenya and meeting room space for up to 25 people for the LGHS project for at least six months and up to three years.

2. Description and Purpose

In late 2023, Panagora Group was awarded the **USAID** funded **Localize Global Health Security (LGHS)** program. The program will work with local entities to address prioritized critical health security gaps in up to fifteen (15) countries over the next five years. As the recent pandemic illustrated, new and re-emerging diseases spread quickly around the globe, resulting in outbreaks that overwhelm health systems, upend lives and economies. Increased population growth and urbanization promote the spread of zoonotic diseases. Climate change continues to alter and increase the distribution of disease vectors. Political and social instability undermine health systems and abilities to prevent, detect, and respond to public health threats. The misuse of antibiotics and emergence of pathogens with antimicrobial resistance (AMR) affect human, animal, and environmental health.

LGHS is a localization initiative that offers competitive awards to local nonprofit organizations, (NGOs), community-based organizations (CBOs), and faith-based organizations (FBOs) to support best practices and innovative approaches to address critical health security gaps. LGHS's objectives are to provide the grant partners with support for capacity strengthening and access to technical resources at all stages of the partner's project in Kenya.

To support the LGHS program, Panagora seeks a firm to provide Administrative and Logistical support in Kenya. LGHS is in the process of hiring a full-time Grants Engagement Manager (GEM) and other long-term and short-term consultants in Kenya to coordinate grants administration and other support activities for up to three (3) years. LGHS wishes to subcontract a firm to provide a range of potential services, including support for office space and administrative/logistics support for Panagora employees and consultants. Payroll services are not required at this time.

3. Proposed Services

- (a) Provide office space to the LGHS Grants Engagement Manager and additional 1-2 staff to ensure the individuals have a functional operational platform, including:
 - basic office set up, (desk, chair, lamp, secure filing with lock and key)
 - Secure office access
 - secure internet access, printers, copiers, office supplies, and basic connectivity support.
 - Mail and Courier secure delivery and ability to send (costs to be charged to Panagora)
 - Provide additional short-term office space and office set ups for technical consultants including from the US, and regionally. (average is two (2) individuals for two weeks each, 2 times per year)

- Provide petty cash reimbursement for minor office-related expenses incurred by staff, estimated to be under USD\$100 per month and provide monthly petty cash report to Panagora for monthly reconciliation
 - Provide conference and meeting rooms for periodic meetings (Provider should have excess small, medium, and large meeting room capacity that can be provided with reasonable scheduling accommodation and advance (two week notice)
 - Provide meeting set up support for meetings upon request (flipcharts, easels, tape, pens, paper, water, coffee/tea, minor snacks, name tags)
- (b) Provide large meeting/workshop/training space for up to 25 participants (average of four (4) times per year.

SECTION 4: DECISION AND NOTIFICATION

Offerors must submit their quotations in response to this RFQ no later than the date and time specified on Page 1 of the RFQ, to the Point of Contact email address. Offers received after the specified time and date will be considered late and will be considered only at Panagora's discretion.

1. Confidentiality

Information regarding review, evaluation, comparison, and subsequent rating of quotations and the recommendations for award will not be revealed to offerors or other persons who have no official involvement in said process.

Any attempt by an offeror to influence Panagora with respect to the review, evaluation, comparison, and subsequent rating of the quotations or award will result in that offeror's submission being rejected and disbarred from future competition.

As soon as the period for reviewing quotes opens, if any of the offerors would like to contact the Panagora about matters related to the solicitation process, they should do so in writing.

2. Clarifications regarding proposals

To assist in the review, evaluation, comparison, and subsequent rating of the quotations, Panagora may, at its discretion, request clarifications from an offeror regarding its quote. Any clarifications presented by the offerors which are not in response to a request by Panagora will be disregarded. Requests for clarification and responses thereto will be in writing.

3. Conformance of proposals

Panagora Group's determination of the responsiveness of a quotation will be based on the quotation itself. A substantially responsive quotation is one that fulfills the terms, conditions, and specifications of this solicitation, including any amendments, without significant deviations, reservations, or omissions. A significant deviation, reservation, or omission is one that:

- Affects in a substantial manner the scope, quality, or performance of the items specified in the RFQ; or
- Limits in a substantial manner, in contradiction to the solicitation, Panagora's rights or the offeror's obligations pursuant to the RFQ; or
- If corrected, it would unfairly affect the competitive position of other offerors that present quotations that substantially conform to the requirements.

4. Preliminary review of proposals

Panagora will review quotations to confirm that all documents that comprise the quotation have been submitted. It will review all required certifications and current valid business licenses to determine the integrity of each of the documents presented. If any of the legal documents required is missing, the proposal may be rejected.

5. Review of the terms and conditions

Panagora will review the quotation to confirm that the Offeror has accepted all the terms and conditions specified in the RFQ without any deviations or reservations. Once the Offeror's acceptance of the terms and conditions has been reviewed, if Panagora determines that the proposal does not substantially conform to the requirements, said proposal may be rejected.

6. Evaluation of proposals

Panagora will evaluate each quotation that has been determined up to that stage of the evaluation to substantially conform to the requirements requested.

To evaluate a proposal, Panagora will use all the methods and criteria defined in this RFQ. No other criteria or methodology will be used. Panagora will evaluate the technical aspects of the items included in the quote in keeping with this RFQ.

7. Cancellation of the solicitation

Panagora reserves the right to cancel the RFQ process and reject all the quotations at any time prior to an award, without incurring any obligation to Offerors.

8. Award criteria

One or more proposal(s) that best meets the evaluation criteria may be awarded with a purchase order or services agreement by the USAID LGHS Activity.

9. Notification

Prior to expiration of the quotation validity period, Panagora will notify any successful offeror in writing if its quotation has been accepted. At the same time, Panagora will also notify the other offerors of the results of the solicitation. Panagora may request offerors extend the validity date if necessary.

10. Contract signing

Immediately following the notification, Panagora will send any successful offeror the contractual documents. Within three (03) days of receiving said contract documents, the winning offeror is to sign, date, and return them to Panagora.

VI. **ELIGIBILITY OF TRANSPORTATION SERVICES:** Ocean and air shipments must be made on carriers and vessels under flag registry of the United States. If such vessels are not available, the Supplier shall notify Panagora Group to request further instructions.

VII. **WARRANTY:** All equipment supplied under this order must be covered by the manufacturer's standard warranty which shall, at a minimum, protect Panagora Group from any loss due to defective workmanship, material, and parts, for **36 (thirty-six) months** (unless otherwise stated on the **Master Fixed Price Service Agreement** document) after the equipment is delivered to Panagora Group. In the event that the warranty is breached, Panagora Group may require, and the Supplier is bound, to remedy all defects and faults, including both workmanship and materials within a reasonable time of notification. The Supplier shall be responsible for all necessary transportation charges required to ship the defective commodities to the manufacturer and return to the Supplier. In the event of the Supplier's refusal, failure, or inability to remedy such discrepancies within a reasonable time of notification, Panagora Group may remedy such defects on its own and claim the reasonable cost of such remedial action from the Supplier.

VIII. **PACKING LISTS:** The contents of each box in any shipments delivered under this **Master Fixed Price Service Agreement** shall be clearly labeled with the corresponding part number and line-item number from the **Master Fixed Price Service Agreement**. A complete itemized packing list shall be carried in a clearly marked "packing list" envelope affixed to the outside of each box or shipping container used to deliver the goods. Each packing list must show complete narrative descriptions of the goods, all applicable parts/catalog numbers, and other relevant information.

XI. **INSPECTION AND ACCEPTANCE:** Panagora Group reserves the right to inspect or test any commodities delivered by the Supplier as a result of this **Master Fixed Price Service Agreement**. Panagora Group may require repair or replacement of nonconforming commodities or re-performance of nonconforming services at no increase in **Master Fixed Price Service Agreement** price. If repair/replacement or re-performance will not correct the defects or is not possible, Panagora Group may seek an equitable price reduction or adequate consideration for acceptance of nonconforming commodities or services. Panagora Group must exercise its post-acceptance rights within a reasonable time after the defect was discovered or should have been discovered.

X. **CHANGES:** Panagora Group may at any time, by written order, and without notice to the sureties, make changes within the general scope of this **Master Fixed Price Service Agreement**. If any such changes cause an increase or decrease in the cost, or the time required for the performance,

of any part of the work under this **Master Fixed Price Service Agreement**, an equitable adjustment shall be made in the **Master Fixed Price Service Agreement** price or delivery schedule, or both, and the **Master Fixed Price Service Agreement** shall be modified in writing accordingly. Any claim by the Supplier for adjustment under this **Master Fixed Price Service Agreement** must be asserted within thirty (30) days from the date of receipt by the Supplier of the modification or change.

XI. GOVERNING LAW AND RESOLUTION OF DISPUTES:

- A. *Governing Law.* This **Master Fixed Price Service Agreement**, including any disputes related thereto, shall be governed by the laws of the state of Maryland.
- B. *Disputes with the Government.* Panagora Group' Prime Contract with the US Government is subject to the Contract Disputes Act of 1978, as amended (41 U.S.C. 601-613). Any claim arising out of the performance of this **Master Fixed Price Service Agreement** that relates to any decision of the Government under the prime contract must be resolved in accordance with the clause at FAR 52.233-1 Disputes, which is incorporated herein by reference.
 1. Any decision of the US Government under the Prime Contract, if binding on Panagora Group, shall also bind the Supplier to the extent that it relates to this **Master Fixed Price Service Agreement**, provided that Panagora Group shall have promptly notified the Supplier of such decision and, if requested by Supplier, shall have brought suit or filed claim, as appropriate against the Government, or, in alternative, agreed to sponsor Supplier's suit or claim. A final judgment in any such suit or final disposition of such claim shall be conclusive upon Panagora Group and the Supplier.
 2. For any action brought or sponsored by Panagora Group on behalf of the Supplier pursuant to this clause, the Supplier agrees to indemnify and hold Panagora Group harmless from all costs and expenses incurred by Panagora Group in prosecuting or sponsoring any such appeal.
- C. *Disputes between the Parties.* The following procedures shall govern the resolution of any controversy, dispute or claim between or among "Parties," arising out of the interpretation, performance, breach, or alleged breach of this **Master Fixed Price Service Agreement** ("Dispute") that is covered by (B) above.
 1. *Negotiation.* The Parties shall promptly attempt to resolve any Dispute by negotiation in the normal course of business. If, after good faith efforts, the Dispute is not resolved, either Party may request in writing that the Dispute be resolved via Executive Consultation pursuant to subparagraph (2) below.
 2. *Executive Consultation.* For Disputes submitted to Executive Consultation, each Party shall designate a senior company official with authority and responsibility for attempting to resolve the matter. For Panagora Group, such designee shall be a Senior Vice President, or a person at a higher level of authority. For Supplier, such designee shall be an authorized negotiator. The Party initiating the claim shall provide, in addition to documents supporting the claim, a brief summary of the claim, its perception of the positions of the Parties and any perceived barriers to settlement of the case. The summary may be submitted directly to the designated Party Executive. Within 30 calendar days after delivery of the claim summary, the Parties shall meet and attempt to resolve the Dispute. If the Dispute is not resolved within 45 days from submission of the claim summary, or such other amount of time as agreed between the Parties, the claiming Party may proceed under subparagraph (3) below.

3. *Arbitration.* Any controversy or claim between the Parties arising out of or relating to this **Master Fixed Price Service Agreement**, or the breach thereof, that has not been resolved by Executive Consultation, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, including the Optional Rules for Emergency Measures of Protection, unless otherwise provided herein. The arbitrators shall not be empowered to award damages in excess of compensatory damages and each Party expressly waives and foregoes any right to punitive, exemplary, or similar damages. The Supplier shall not be liable for any excess costs if the failure to perform the **Master Fixed Price Service Agreement** arises out of a Force Majeure cause and if the Supplier, within 20 (twenty) days from the beginning of any such Force Majeure, notifies Panagora Group of such prevention of performance and the cause thereof. If the failure to perform is caused by the fault of a Supplier’s subcontractor and if such default arises out of causes beyond the control of both the Supplier and the Supplier’s subcontractor and without the fault or negligence of either of them (Force Majeure), and the Supplier, within **20 (twenty)** days from the beginning of any such Force Majeure, notifies Panagora Group in writing of such prevention of performance and the cause thereof, the Supplier shall not be liable for any excess costs due to the failure to perform, unless the supplies or services to be furnished by the Supplier were obtainable from other sources in sufficient time to permit the Supplier to meet the required delivery schedule.

XIII. **VESTING OF TITLE AND DIVERSION RIGHTS:** USAID reserves the right to vest in itself title to the goods financed under this order, provided that such goods are in a deliverable state and have not yet been offloaded in ports of entry in the Cooperating Country. USAID may direct the carriers to divert these goods to alternative destinations.

XIV. **LEGAL EFFECT OF USAID APPROVALS AND DECISIONS:** The parties hereto understand that the **Master Fixed Price Service Agreement** has reserved to USAID certain rights such as, but not limited to, the right to approve the terms of this **Master Fixed Price Service Agreement**, the Supplier, and any or all plans, reports, specifications, subcontracts, bid documents, drawings, or other documents related to this **Master Fixed Price Service Agreement** and the Activity of which it is part. The parties hereto further understand and agree that USAID, in reserving any or all of the foregoing approval rights, has acted solely as a financing entity to assure the proper use of the

United States government funds and that any decision by USAID to exercise or refrain from exercising these approval rights shall be made as financier in the course of financing this project and shall not be construed as making USAID a party to the **Master Fixed Price Service Agreement**. The parties hereto understand and agree that USAID may, from time to time, exercise the foregoing approval rights or discuss matters related to these rights and the project with the parties jointly or separately, without thereby incurring any responsibility or liability to the parties jointly or to any of them. Any approval (or failure to disapprove) by USAID shall not bar Panagora Group or USAID from asserting any right or relieve the Supplier from any liability which the Supplier might otherwise have to Panagora Group or USAID.

XV. **COMPLIANCE WITH APPLICABLE LAWS AND STANDARDS:** The Supplier shall comply with all applicable laws, ordinances, codes, regulations, and other authoritative rules of the United States and of the Cooperating Country and their political subdivisions and with the standards of relevant licensing boards and professional associations.

XVI. **INDEMNITY AND SUPPLIER WAIVER OF BENEFITS**

A. The Supplier waives any additional benefits and agrees to indemnify and save harmless Panagora Group, USAID, and their officers, directors, agents, and employees from and against any and all claims and liability, loss, expenses, suits, damages, judgments, demands, and costs (including reasonable legal and professional fees and expenses) arising out of:

1. the acts or omissions of Supplier, its employees, officers, directors, agents or its subcontractors;
2. injury or death to persons, including officers, directors, employees, agents and subcontractors of Supplier, or loss of or damage to property, or fines and penalties which may result, in whole or in part, by reason of the buying, selling, distribution, or use of any of the goods or services purchased or provided under this **Master Fixed Price Service Agreement** except to the extent that such damage is due to the negligence of Panagora Group;
3. the infringement or violation of any patent, copyright, trademark, service mark, trade secret, or other proprietary interest of any third party resulting from Panagora Group' use, distribution, sale, sublicensing, or possession of the goods (including software and all forms of written materials) or services purchased or provided, as authorized hereunder, or from the use or possession of said goods or services by Panagora Group and USAID, as authorized hereunder; or false claims submitted by Supplier or its subcontractors under this **Master Fixed Price Service Agreement** or as a result of a Supplier misrepresentation of fact or fraud by Supplier.

B. Supplier shall defend and settle at its sole expense all suits or proceedings arising out of the foregoing, provided that Supplier has notice or is given prompt written notice of such claim or suit and, further, that Supplier shall be given necessary information, reasonable assistance, and the authority to defend such claim or suit. Supplier shall not settle, compromise or discharge any pending or threatened suit, claim or litigation, arising out of, based upon, or in any way related to the subject matter of this **Master Fixed Price Service Agreement** and to which Panagora Group is or may reasonably be expected to be a party, unless and until Supplier has obtained a written agreement, approved by Panagora Group (which shall not be unreasonably withheld) and executed by each party

to such proposed settlement, compromise or discharge, releasing Panagora Group from any and all liability.

C. If any of the goods or services provided by Supplier hereunder, including without limitation software and all forms of written materials, become the subject of a claim of infringement or violation of a third party's intellectual property, privacy and/or proprietary rights, Supplier shall, at its own expense, use its best efforts—

1. to procure for Panagora Group the right to continue use and, if authorized under this **Master Fixed Price Service Agreement**, distribution of the infringing goods or services or,
2. to modify the goods or services to make them non-infringing, or to replace them with equivalent, non-infringing counterparts.

If none of the above-mentioned can be successfully implemented, then Supplier shall refund to Panagora Group all monies paid to the Supplier for the infringing goods and services.

XVI. **TERMINATION BY CONVENIENCE:** The performance of work under this order may be terminated by Panagora Group in whole or in part whenever Panagora Group and/or USAID determine that such termination is in the best interests of Panagora Group and/or USAID. Panagora Group reserves the unilateral right to terminate this fixed price **Master Fixed Price Service Agreement** at any time, paying for all deliverables completed at the time of termination and a pro-rata share of any deliverable in progress, in accordance with FAR Clause 52.249-1, "Termination for Convenience of the Government (Fixed Price) (Short Form) (April 1984). In the event of termination by convenience, the Supplier shall submit a written claim not later than one month from the notice of termination.

XVII. **TERMINATION BY DEFAULT:** Panagora Group may, by written notice of default sent to the Supplier by registered mail, terminate in whole or part of this order if A) the Supplier fails to make delivery of the commodities within the time specified in the order or B) if the Supplier fails to perform any of the other provisions of this order, or so fails to make progress as to endanger performance of this **Master Fixed Price Service Agreement** in accordance with its terms and, and, in either of these two circumstances, does not cure such failure within a period of **10 (ten) days** (or longer period as Panagora Group may authorize in writing) after receipt from Panagora Group specifying such failure.

XVIII. **ANTI-CORRUPTION AND ANTI-KICKBACK:** No offer, payment, consideration, or benefit of any kind which constitutes an illegal or corrupt practice shall be made, either directly or indirectly, as an inducement or reward for the award of this **Master Fixed Price Service Agreement**. Any such practice will be grounds for canceling the award of this order and for such other actions, civil and or/criminal, as may be applicable.

XIX. **AUDIT AND RECORDS:** If the **Master Fixed Price Service Agreement** amount exceeds \$3,000:

- a. The Supplier shall maintain books, records, documents, and other evidence and shall apply consistent accounting principles and practices sufficient to reflect properly all transactions under or in connection with the **Master Fixed Price Service Agreement**. The foregoing constitutes "records" for the purpose of this clause.
- b. The Supplier shall maintain such records during the **Master Fixed Price Service Agreement** term and for a period of three years after final payment. However, records

which relate to appeals under the “Disputes” clause or litigation or the settlement of claims arising out of the performance of this **Master Fixed Price Service Agreement** shall be retained until such appeals, litigation or claims have been finally settled.

c. All records shall be subject to inspection and audit by Panagora Group or its authorized agents at all reasonable times. The Supplier shall afford Panagora Group proper facilities for such inspection and audit. If this is a fixed price **Master Fixed Price Service Agreement**, it is not subject to audit of costs (except for any cost-reimbursable items) but is subject to audit for compliance with other provisions of this **Master Fixed Price Service Agreement**.

d. The Supplier further agrees to include in all its subcontracts hereunder a provision that the Supplier agrees that Panagora Group or any of its authorized agents, shall, until the expiration of three years after final payment under the **Master Fixed Price Service Agreement**, have access to and the right to examine any records of such Supplier involving transactions related to the Purchase Order.

XX. **EQUAL EMPLOYMENT OPPORTUNITY:** The Supplier shall not discriminate in recruitment or employment of personnel hired in the US, because of race, religion, color, sex, or national origin, and must be in compliance with its equal employment opportunity obligations under Executive Order 11246 dated September 1965.

XXI. **WORKER’S COMPENSATION INSURANCE:** If the order involves performance of incidental services (installation of AID-financed equipment or the training of personnel in the maintenance, operation, and use of such equipment) outside of the United States, then before commencing performance under this **Master Fixed Price Service Agreement** the Supplier shall maintain coverage through worker's compensation insurance or security covering each employee to the extent required by the Defense Base Act (DBA) of the United States (42 U.S.C. 1651) but in any event equivalent to coverage required by law or custom in the location where the Supplier's employee is performing services. The Supplier shall obtain all Defense Base Act insurance required by this clause through Marsh & McLennan Agency, LLC, 5500 Cherokee Avenue, Suite 300, Alexandria, VA 22312, 703.354.1616.

XXII. **TERRORIST FINANCING PROHIBITION:** The Supplier is reminded that U.S. Executive Orders and U.S. law prohibits transactions with, and the provision of resources and support to, individuals and organizations associated with terrorism. It is the legal responsibility of the Supplier to ensure compliance with these Executive Orders and laws. This provision must be included in all subcontracts issued under this order.

XXIII. **CLAUSES INCORPORATED BY REFERENCE:** This **Master Fixed Price Service Agreement** incorporates the following clauses of the [Federal Acquisition Regulation](#) (48 Code of Federal Regulations, Chapter 1) and [USAID Acquisition Regulation](#) (48 Code of Federal Regulations, Chapter 7) by reference, with the same force and effect as if they were given in full text. It is understood and agreed that the Supplier may be obligated by and to Panagora Group for any specifications or documentation required of Panagora Group under these clauses, and that references to the Contractor may also refer to the Supplier. The Supplier hereby agrees to abide by the terms and conditions imposed by these clauses. With respect to documentation and approvals required under these clauses, all such documentation and approvals shall be submitted to or requested from Panagora Group.
